

Country by country reporting

The information concerning country by country reporting will be reported in the consolidated financial statements of Rabobank Group as of 2014.

Rabobank operates in seven main geographical areas, see the table below. The Netherlands is Rabobank's country of domicile. The information is reported by distinguishable components of Rabobank that provide products and/or services within a particular economic environment within particular geographical locations/areas. The allocation is based on the location of the individual subsidiary from which the transactions are originated.
