

Rabobank & UN Food Systems Summit

Our ambition

Rabobank asks the UN FSS to come up with a practical transition agenda, measurable standards and clear criteria, so we can encourage and help our clients to make their part in food systems fairer, healthier and more sustainable, whilst encouraging consumers to pay the true price for food.

Rabobank

Now... imagine

The UN Food Systems Summit is initiated to reach global consensus on policies and actions to accelerate the SDG 2030 agenda. **Food security, nutrition and climate change** will be addressed to enable food systems transformation.

The UN Food Systems Summit

Our involvement

We are actively involved with a broad range of stakeholders in all action tracks:

Gen Z Hackathons **Innovation** **Finance**

Action track 1

Ensure access to safe and nutritious food for all

Action track 2

Shift to sustainable consumption patterns

Action track 3

Boost-nature positive production

Action track 4

Advance equitable livelihoods

Action track 5

Build resilience to vulnerabilities, shocks and stress
